The Honorable Henry McMaster, Governor  
Henry McMaster for Governor  
1905 Gadsden St.  
Columbia, 29201

Dear Governor McMaster:

The South Carolina Citizens for Life state political action committee, *LIFEPAC*, is pleased to endorse you for re-election as the pro-life incumbent in the 2018 Republican Primary. This endorsement reflects your commitment to renewing a culture of life in our state and nation.

We appreciate your 100 percent pro-life survey and your long record in support of pro-life issues, particularly your leadership as Governor to take action to stop government funding to abortion providers in South Carolina. As Governor, your continuing support will be necessary to outlaw the savage, uncivilized practice of dismembering living unborn babies -- a method of abortion that regrettably remains legal in our state.

We look forward to working with you to support effective laws that protect vulnerable innocent life -- pre-born children and the medically fragile and dependent members of our human family whose lives are threatened by abortion and euthanasia.

We stand with those who stand with us. We stand with you in your race for re-election as Governor of South Carolina.

Sincerely,

Holly Gatling, Executive Director
